ROLL OF THE ASSOCIATION  
OF THE  
ARMY OF TENNESSEE,  
LOUISIANA DIVISION,  
~CAMP No. 2, U. C. V.,~

From its Organization in May, 1877, to Date April 1st, 1902.

This Association of Confederate Veterans was organized in New Orleans in May, 1877.

The numerous survivors of the Confederate Army and Navy, in this City and State, who had not fought in the Army of Northern Virginia, feeling the necessity of organization, resolved to form another Association, broad but conservative in its scope. The first meeting of Veterans was held on May 8th of that year, forty-five Veterans signing the roll for preliminary organization. On May 14th the Committees on Membership and Constitution, which had been previously appointed, reported and their recommendations were adopted. One hundred and five applications for membership were declared accepted.

Proceeding to permanent organization, General P. G. T. Beauregard was elected as the first President of the Organization. General Jubal A. Early was the first Honorary Member elected. The Association adopted a new Constitution and Rules and Regulations early in 1879, and obtained a charter on March 31, 1879. As defined in its charter the objects of the Association "shall be strictly 'Social, Historical and Benevolent;' and its labors shall be directed to cultivating the ties of friendship between all survivors of the Armies and Navies of the late Confederate States; to keep fresh the memories of our Comrades who gave up their lives for the 'Lost Cause' in battle, or in other fields of service, or who have died since the war;

to the perpetuation of the records of their deeds and heroism, by the collection and disposition in the manner they judge best, of all material of value for future historians; to aiding, assisting and relieving, to the extent of its ability, all members, their widows and orphans, in extreme cases of sickness and want, and to providing burial for them when necessary."

Its active membership in good standing, has averaged yearly 300, all carefully investigated and balloted for and coming up to the high requirements fixed for membership. This Association has spent large amounts for benevolent purposes, its monument and tomb in Metairie Cemetery, surmounted by the bronze statue of Albert Sidney Johnston alone cost \$40,190. In conjunction with the Army of Northern Virginia Association, and through their joint efforts, the "Soldiers Home of Louisiana" was founded, and with other Confederate Camps of this City the "Louisiana Historical Association" had its birth, and later to the organization of the "United Confederate Veterans". The following have been the Presidents of this Association:

Gen. P. G. T. Beauregard, Jas. Lingan, Gen. Aug. Reichard, J. A. Chalaron, W. H. Rogers, A. J. Lewis; W. T. Cluverius, Jos. D. Taylor, John Glynn, Jr., J. B. Vinet, R. H. Brunet, William E. Huger, Frank A. Monroe, Charles H. Luzenberg, Geo. S. Pettit, Charles Santana, J. Walton Gaines, I. S. Richard.

To-day the membership amounts to 263 with the following officers:—

President, Lewis Guion; First Vice-President, Thos. J. Duggan; Second Vice-President, Alden McLellan; Third Vice-President, Theo. C. Will; Recording Secretary, Nicholas Cuny; Financial Secretary, John R. Juden; Corresponding Secretary, J. Ad. Chalaron; Treasurer, Adam Wagatha; Physician, Wm. E. Brickell, M.
